SUN MeDIA Bloemfontein: Authors' function

SUN MeDIA Bloemfontein hosted an authors' function on the 18th of November. With true SUN MeDIA hospitality, the authors were spoilt with delicious snacks and cappuccino's.

We showcased our new website with its authors' pages, our online store and the Print-2-order functionality. The authors were also treated to a demonstration of the first SUN MeDIA ePUB, *Die Afrikaan*. They left SUN MeDIA with a smile, a calendar and an "e-Song" in their hearts.
