INLEIDING

Sekere finansiële geheime sal jy nooit op skool of universiteit leer nie en dit is hierdie geheime wat die verskil maak tussen rykdom en armoede. Die rede hiervoor is dat ons in 'n samelewing woon waar geld en rykdom as sleg. en boos gesien word deur die massas. Om vir mense te leer om ryk te word is dus nie "ordentlik" nie.

Die "ou geld" geheime van die eksklusiewe elite word nooit met die massas gedeel nie, want die elite voed op die onkunde van die massas. Die elite leer wel hulle kinders hoe om dit te doen.

4

Die werkende massas ken nie die geheime nie en glo jy moet eerder geleerdheid bekom en hardwerkend wees. As jy dan in die proses finansiële sukses behaal, is dit goed so, maar moet nie daarmee te koop loop nie. So word ons al vir eeue geprogrammeer en dit is hoekom min gewone mense wat wel die lig sien, ooit hulle geldmaak geheime met ander deel.

By Treoc.com voel ons anders en ons deel ons geldmaak geheime met mekaar. Ons glo in die beginsel van hoe meer mense jy help om suksesvol te wees, hoe meer suksesvol sal jy self wees. Daarom leer ons mense dit wat nie op skool of universiteit geleer word nie. Dit wat elke student moet weet. Dit wat die verskil maak tussen sukses en mislukking.

Dit is die "Treoc Way".

INTRODUCTION

There are some financial secrets that you'll never be taught at school or university, and it's normally these very things that make the difference between being rich and poor. This is because we live in a society where money and wealth is regarded as bad and evil by the masses. To teach people to become rich is thus not "proper".

The "old money" secrets of the exclusive elite never get shared with the masses, because the elite feed on the ignorance of these masses. They do, however, teach their children how to do it.

4

The working masses don't know the secrets; rather, they believe that you should be taught to be hard-working, and scholarly. If in the process you attain financial success, that's great, but don't boast about it. This is how we've been programmed for centuries; it's also why the few normal people that do see the light never share their money-making secrets with others.

At Treoc.com we feel differently, and we share our money-making secrets with each other. We believe in the principle that the more people you help to become successful, the more successful you will become yourself. That's why we teach people what they've not been taught at school or university. That which every student must know. That which makes the difference between success and failure.

This is the Treoc Way.
